FAILURE TO DO SO MAY DELAY OR VOID YOUR REQUEST.**

The Shephard-Holton Trust is a bequest by Dora Eddy Shephard who passed away in 1937. These funds were originally designated for two convalescent homes (one for children) that had been operated by the Diocese. These homes no longer exist so the grants from this trust are available to diocesan institutions that care for children and the aged. **Grants may be given up to \$7000 maximum per request.**
