

Giving Heart Englewood

Igniting Hope....

Investing in Lives....

Impacting Communities

August 10, 2025

Report to The Episcopal Church in Colorado – High Plains Grant Recipient

First, thank you for your generous support of the mission of Giving Heart. We greatly appreciate your designation of \$1,250 to helping those in need. Your funds were used for laundry and kitchen supplies.

We have continued to operate our ministry and continue to see an increase of those in need. We provide a safe place for the homeless to enjoy a hot meal and fellowship with each other and our volunteers. While in our facilities they are able to shower; make use of our laundry services; obtain needed clothing, blankets, shoes and other miscellaneous items; use our computer lab; make use of our mail site; and meet with local agencies that can provide medical and mental support. They also receive information on services provided within the local community by others and can obtain needed state identification cards. Attached are photos of some of our activity this year. Thank you for blessing our ministry.

Our guests assist in keeping our facility clean.

Time for fellowship and support.

4358 South Broadway, Englewood Colorado 80113

Excess donated clothing was delivered and donated to the North Cheyenne Indian Reservation.

Our delivery team including our Executive Director Donna and one of our guests who helped organize.

Big smiles for housing secured and a path forward with the assistance of a peer coach.
