First Week in Lent

When we are together, we can say this prayer, or our own:

DEAR GOD, HELP US TO NOTICE SIGNS OF YOUR WAY THIS LENT. AMEN.

The yellow light signals: be ready to stop. This Lent we can take time to stop to discover where we are on the right path and where some changes are needed.
When we notice changes we need to make, we can say “Oops! Sorry!” and let God do what God does: forgive!

Matthew 4:1-11 (Read it or tell it like this.) Jesus knew he had to get away and get his act in order, especially deciding what he would not do. No, it is not about being popular. No, it’s not being a show off. No, it is not being a control freak. He would listen for God’s Way and show people how to do things God’s Way.

What is one thing we are noticing that we are doing God’s Way?
