Our Mission: St. Clare's Ministries offers short-term respite from the harsh realities of homelessness, poverty, and the separation we feel from God and each other. With God's help, St. Clare's is an open, welcoming, and diverse community that provides physical and spiritual nourishment, clothing, and other support to our guests and volunteers in need.

This ministry has evolved over the past 30 years from handing out sandwiches in the Parish Hall to serving a full hot meal, preceded by a church service. In the fall of 2009, the ministry incorporated as a nonprofit under Colorado State Statutes. Many Episcopal parishes in Colorado support the ministry financially. St. Clare's is a Jubilee Ministry and Diocesan Institution.

2020 Covid-19. St. Clare's Ministries has been open every Tuesday evening in 2020. When Covid-19 hit Denver in mid-March, St. Clare's had to comply with the guidelines issued regarding large group gatherings, buffet style meal services, social distancing and wearing masks. St. Clare's was declared an essential business for feeding the homeless and working poor of the Baker neighborhood. St. Clare's went back to its roots and started handing out to go meals, to go toiletries, underwear, socks, clothing, blankets and sleeping bags. Because most of our volunteers are over 65 years young, we had to stop the regular volunteer rotations from the churches and go with fewer younger volunteers and staff members. Through the end of August 2020 St. Clare's has served 3,167 meals by 376 volunteers in 1,102 hours.
