

The Rev. Deacon Jan Pearson  
32<sup>nd</sup> Avenue Jubilee Center  
St. Ambrose Episcopal Church

My education and early work was in science education where I spent almost 20 year teaching at the middle and high school levels, developing science curriculum and a text book series, and academic measurement and evaluation. Following that, my career direction shifted to social outreach, youth and family ministry.

Ordained to the diaconate in 2004, I served at St. John Chrysostom while concurrently managing a number of programs at the 32<sup>nd</sup> Avenue Jubilee Center. Six years ago, I accepted the role as General Manager of the Jubilee Center but resumed management of all youth and children's programs. Additionally, I began serving at St. Ambrose Episcopal Church in Boulder.

My personal mission and energies tend to be focused on ministry with children and youth. I have lead or participated in 13 mission trips, locally, in the US, and in Mexico and Central America. I have also worked with hundreds of at risk children and youth through tutoring, educational support and enrichment. I am also passionate about the needs of the least and lost, particularly those without food and housing resources struggling to survive in a world that often turns a blind eye to the needs of those with less or little.

I have been married to my husband Alex for 44 years, have two grown children and two young grandsons.
