Our Mission: St. Clare's Ministries offers short-term respite from the harsh realities of homelessness, poverty, and the separation we feel from God and each other. With God's help, St. Clare's is an open, welcoming, and diverse community that provides physical and spiritual nourishment, clothing, and other support to our guests and volunteers in need.

This ministry has evolved over the past 30 years from handing out sandwiches in the Parish Hall to serving a full hot meal, preceded by a church service. In the fall of 2009, the ministry incorporated as a nonprofit under Colorado State Statutes. Many Episcopal parishes in Colorado support the ministry financially. St Clare's is a Jubilee Ministry and Diocesan Institution.

Volunteer remarks:

While Denver's economy has improved in the past year, the number of people struggling with food insecurity remains challenging. St Clare's is blessed to be guided in service by a volunteer Board of Directors and to be provided with very tasty hot meals by the excellent cooks who come each week to prepare the food. Guests at St Clare's receive nourishment for the body and for the soul through worship and companionship. Without this wonderful service, many would go to bed at night, hungry in body and spirit. It is truly a gift to be able to serve at St Clare's.
