

Small Church Conversations Across Province VI

On September 6, 2022, 25 people from across the province gathered to share about life in the small church.

These monthly conversations are intended to build relationships as well as share ideas from small churches across this vast geographical area. The gatherings are on Zoom and are kept to 60 minutes – which seems to fly by! People are welcome to connect at other times to continue their conversations.

Join us October 4, 2022 at 6:30pm MT/7:30pm CT.

Please register with the link below for these conversations in order to get the Zoom link and the reminders. If you registered for the first gathering, you do not have to register again.
