

Father Roger joined Saint Gregory's in October of 2022 as their Rector. He returned to the Episcopal Church in Colorado after spending the last 12 years serving in northwest Indiana. Roger was received to serve as a priest in the Episcopal Church in January 2000. He has enthusiastically ministered to church communities in New York, California, Colorado, and Indiana.

Roger and his wife Barbara are originally from Texas and have two adult children, Kathryn and Christopher. They love to hike, explore, read, and spend time with their family. They're excited to be back in Colorado and being part of the St. Gregory's community while serving the Episcopal Church in Colorado.
