## **Province VI of the Episcopal Church**

Province VI – comprised of the Dioceses of Colorado, Iowa, Minnesota, Montana, Nebraska, North Dakota, South Dakota and Wyoming – spans many miles over our country!

Our Province of the Episcopal Church serves across this vastness of mountains, lakes, and plains, from the large population centers to the smaller, often rural, towns. We faithfully serve those around us in Christ's name, sharing God's love wherever we find ourselves.

We look forward to sharing more about the Province VI gathering throughout the year!

## **The Gathering of Province VI**

In 2025, Province VI will be gathering to celebrate all the ministries and gifts each of us, both individually and diocesan, brings to our work in the world.

At our summer gathering, you can expect to:

- Strengthen our connections across the province
- Identify resources that can be used together more wisely
- Share our stories from common (and not-so-common) ministries
- Learn more about how we are serving God, each other, and our communities
- Network and collaborate to provide the support and prayer necessary to keep our ministries, dreams, and each other thriving
