Saturday, July 26

9:00 am to 1:15 pm  
(lunch included)

at St. Gabriel's Episcopal Church, Cherry Hills Village,

This inspiring day of learning and connection features nationally recognized stewardship leaders Canon Mike Orr and Erin Weber-Johnson from Project Resource ([project-resource.org](http://project-resource.org)).

Through engaging sessions like “Money Narratives,” “Starting with Why,” and a deep dive into Year-Round Stewardship, you'll gain practical tools and renewed energy to cultivate generosity and sustainability in your church. Whether you're a vestry member, stewardship committee member, or simply passionate about church vitality, this is a day you won't want to miss!

Copying and pasting from stock stewardship resources year after year?

Dusting off what you did last year with a few tweaks and a different theme name?
